Smithers Exploration Group Annual Golf Tournament

By the time you read this, SEG will have hosted its annual golf tournament at the Smithers Golf and Country Club. About 75 participants (25 out-of-towners!) will begin the festivities at the Smithers Legion on Thursday night for the

registration meet-and-greet. Friday morning they will feast early at Hy-Tech Drilling on pancakes with all the trimmings. By 10am, the four-person teams will be on the course, playing a round of 'best ball,' with a delicious BBQ lunch at the fifth hole provided. The evening will culminate

with a dinner at the Golf Club, with tonnes of prizes provided by the 36 local and regional sponsors. From company swag to local gift certificates to locally purchased gifts, no one goes home empty-handed!

Please visit the SEG website at www.smithersexplorationgroup.com for a full list of sponsors and event details.

Mining Matters Goes Viral

Well, maybe not viral but we are being hosted on numerous websites, including the Association of Mineral Exploration of BC (www.amebc.ca), giving Smithers and our involvement in mineral exploration provincial exposure.

"Mining Matters" is a bi-monthly column written by Anastasia Ledwon, P.Geo., and welcomes your feedback and questions at general@smithers.ca.
